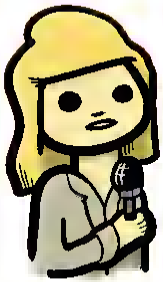
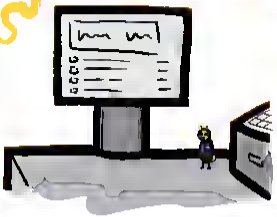
Income inequality

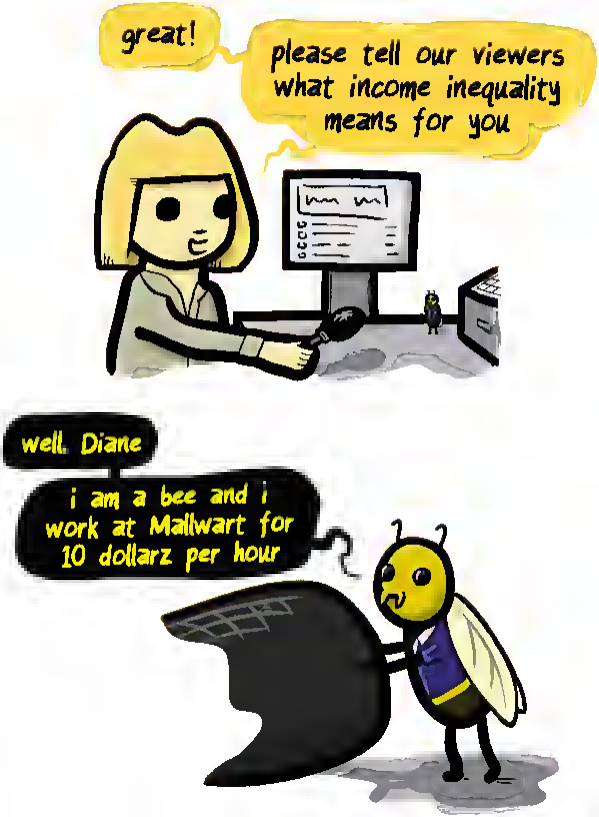
some people say that the income inequality between the wealthiest 1% of individuals and the remaining 99% is a symptom of a broken society

but can we really make this assessment without speaking to the victims of this inequality





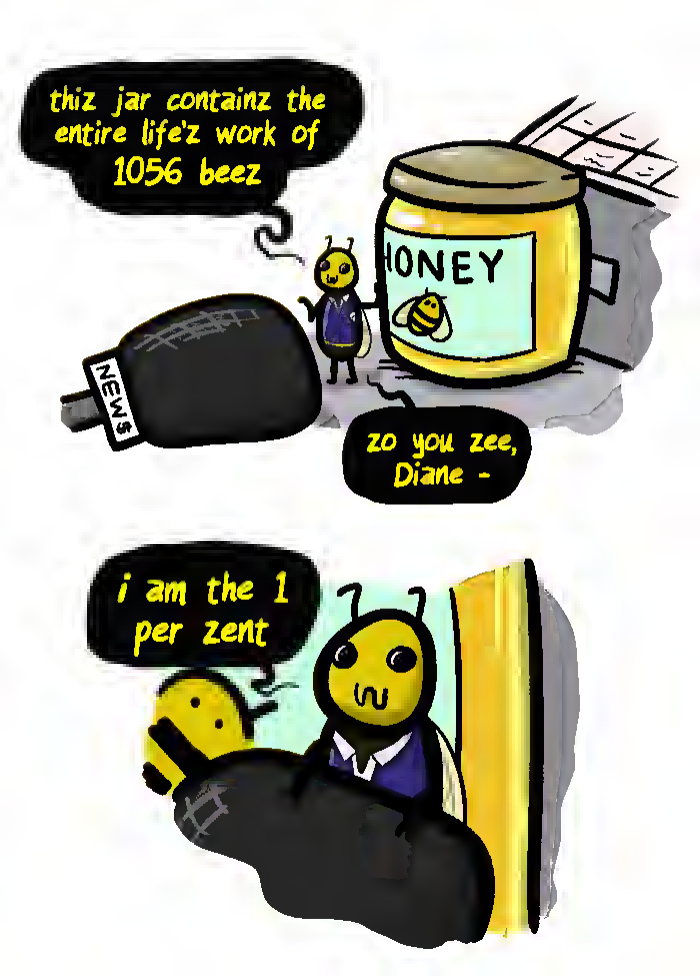
ummm
excuse me, little bee, do you work here?
i do



great!
please tell our viewers what income inequality means for you
well. Diane
i am a bee and i work at Mallwart for 10 dollarz per hour

after 1 hour of work i will have earned enough to buy 1 jar of honey
it takes 12 beez their entire livez to fill 1 teazpoon of honey

thiz jar here -
HONEY
thankz, Jim
EY
no problem



thiz jar containz the entire life'z work of 1056 beez
HONEY
NEW$
zo you zee, Diane -
i am the 1 per zent

and how does that make you feel?

amazing
